#### Accommodation

#### Introduction.

11 Bradenham Place was acquired by the current owner in c.2001.

They were granted a change of use from residential, to its current use, a surgery, which falls within Use Class D1 (non residential institution).

Having decided, this year, to close the practice and sell the property, they have now obtained a further consent to reinstate the property back to a single dwelling house.

The application can be found at the Vale of Glamorgan's planning portal Ref: 2022/00470/FUL.

## **Property Summary**

The accommodation, arranged over two levels, currently comprises a mixture of treatment rooms and offices.

A kitchen can be found to the rear of the ground floor and in addition to a cloakroom / WC, also at ground floor level, there is a shower room on the first floor.

The accommodation has the potential to be re-configured and extended into the loft space.

The kitchen could also be opened up to provide an open plan kitchen / diner.

The first floor, 'as is' currently offers 5 bedrooms but again this could be revised.

The bath / shower room could also be combined with the adjoining WC to make a larger family bathroom.

Ceilings throughout the majority have been removed and replaced with a suspended alternative. These could very easily be removed and replaced with plasterboard.

There are intruder and smoke alarms together with a domestic gas fired central heating system.

### Dimensions.

Room dimensions can be found on the attached floor plans.
